KANSAS CITY POWER & LIGHT COMPANY

Dividend Reinvestment and Direct Stock Purchase Plan
(formerly Dividend Reinvestment and Stock Purchase Plan)

2,000,000 Shares of Common Stock
(Without Par Value)

Kansas City Power & Light Company (KCPL) offers you the
opportunity to participate in its Dividend Reinvestment and Direct

Stock Purchase Plan. The Plan is a convenient way for you to:

- Purchase shares of KCPL's common stock.
- Reinvest all or some of your cash dividends in additional shares.
- Deposit your stock certificates for safekeeping.

This Plan is an amendment and restatement of our Dividend Reinvestment and Stock Purchase Plan. If you are currently enrolled in the Dividend Reinvestment and Stock Purchase Plan you will automatically be enrolled in the new Plan.

The Administrator of the Plan may buy shares of common stock on the open market (New York Stock Exchange) or directly from KCPL. If it buys on the open market, the price of the shares will be the average cost of all shares purchased for the relevant investment date plus a nominal brokerage commission fee (currently \$.05 per share). If it buys from KCPL, the price will be the average of the high and low prices of the common stock for the relevant investment date as reported on the New York Stock Exchange-Consolidated Tape.

KCPL common stock is traded in the New York Stock Exchange under the symbol "KLT". The closing price of the common stock on January 31, 2000 on the NYSE consolidated tape, was \$24.3125 per share.

Neither the Securities and Exchange Commission nor any state securities regulator has approved or disapproved these securities or determined if this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

SUMMARY OF PLAN HIGHLIGHTS

Because this section is a summary, it does not contain all the information that may be important to you. You should read the entire Prospectus carefully.

How to Enroll

You need not be a KCPL shareholder to participate in the Plan. You may purchase your first KCPL shares through the Plan by completing an enrollment form and making an initial minimum cash investment of at least \$500. An enrollment fee of \$5 will be deducted from this amount prior to investment.

If you are already a KCPL shareholder, you can enroll by completing an enrollment form and sending it to the plan administrator. You can also deposit your KCPL shares for safekeeping or reinvest all or some of your KCPL dividends in KCPL common stock.

KCPL pays all administrative fees associated with purchases through the Plan; the only charge to you is a one-time enrollment fee of \$5 plus a nominal commission fee (currently \$.05) per purchased share.

If you are currently enrolled in our Dividend Reinvestment and Stock Purchase Plan, you will be automatically enrolled in this Plan.

Monthly Investments

After you enroll, you can make monthly additional investments in any amount from a minimum of \$100 to a maximum of \$5,000 per month. Your maximum annual investment cannot exceed \$60,000. Investments can be automatically deducted directly from your bank account each month provided the amount meets the minimum/maximum requirements. You can change the amount at any time provided you give the administrator proper instructions about any changes in time to process your request.

How to Pay for Shares

You can make purchases in various ways - by check, automatic deduction or dividend reinvestment. Your investment dollars (minus the enrollment and per share purchase fee) are fully used to purchase KCPL shares.

Reinvest Dividends Automatically

You can automatically reinvest all or part of your KCPL dividends in additional shares. If you reinvest partially in additional shares, you will receive your remaining dividends in cash.

Sell Plan Shares

You can sell some or all of your shares through the plan administrator for a nominal service charge of \$10 plus a nominal commission fee (currently \$.10) per share. Sales will be made once a month.

Direct Deposit of Dividends

If you do not reinvest your dividends, you can have your dividend deposited directly into your checking or savings account by electronic transfer on the dividend payable date.

Certificate Safekeeping

Protect your KCPL stock certificates from loss, theft or damage by depositing your shares in your account for safekeeping. When you want certificates sent to you, you only need to send a written request.

IMPORTANT CONSIDERATIONS

The purpose of the Plan is to provide a convenient and useful service for current or potential KCPL shareholders. Nothing in this Prospectus or other Plan information represents a recommendation by KCPL or anyone else that any person buy or sell KCPL common stock. We urge you to read this prospectus thoroughly before you make your independent investment decision regarding participation in the Plan.

The value of KCPL shares may increase or decrease from time to time. There is no assurance whether, or at what rate, KCPL will continue to pay dividends. The Securities Investor Protection Company, the Federal Deposit Insurance Company, or any other entity does not insure Plan accounts.

TERMS OF THE PLAN

Eligibility

Any U.S. person or entity can participate in the Plan if you follow the steps described below under "Enrollment." A citizen or resident of a country outside the United States is also eligible if participation does not violate any governmental regulations or laws.

If you are currently enrolled in our Dividend Reinvestment and Stock Purchase Plan, you will be automatically enrolled in this Plan.

Enrollment

Read the Prospectus carefully. If you are eligible and want to enroll in the Plan, complete and sign an enrollment form and return it to the plan administrator. To participate in the Plan, you must do one or more of the following:

- Deposit certificate(s) representing one or more shares with the administrator for safekeeping
- Elect to reinvest cash dividends paid on at least one whole share
- Make an initial cash investment of at least \$500 (and not more than \$5,000) (an enrollment fee of \$5 will be deducted from this amount prior to investment)

After the administrator approves your enrollment and receives your funds or securities, your participation in the Plan begins.

Initial and Optional Investments

Whether or not you are a KCPL shareholder, you may enroll in the Plan by making an initial investment of at least \$500 (and no more than \$5,000), plus a one-time only enrollment fee of \$5.00. After you enroll, you may make optional investments in any amount from \$100 to \$5,000 per month. You may not invest more than \$60,000 during any calendar year, not counting qualified Plan distributions, if any. You have no obligation to make optional investments.

You can make your investments by personal check or money order payable to "UMB Bank-KCPL." Return your payment to the administrator with a completed enrollment form or the tear-off remittance portion included with your statement of account. Do Not Send Cash.

You can reinvest cash dividends paid on all or some of your KCPL shares by making the appropriate selection on the enrollment form. You can also change your reinvestment selection by sending written notice to the Administrator. To be effective for a particular dividend period, the administrator must receive your instructions prior to the record date for the dividend.

Automatic Monthly Investment

You can automatically invest a specified monthly amount (not less than \$100 and not more than \$5,000) deducted directly from your U.S. bank account by completing the Automatic Monthly Deduction section on the enrollment form and returning it to the administrator. Funds will be transferred from your account three business days prior to the investment date each month. You can change or stop automatic monthly investments by completing and returning a new Automatic Monthly Deduction section on the enrollment form or by sending written notification to the administrator. The administrator must receive your instructions and authorization ten business days prior to the monthly investment date.

Dividend Reinvestment Options

- Full Reinvestment -- If you choose this option, all of your dividends will be reinvested to purchase additional shares of KCPL common stock.
- Partial Reinvestment -- You may reinvest dividends on a specific percent of shares for an account. Dividends on remaining shares will be paid to you by cash or direct deposit.
- Optional Cash Investment Only -- All dividends will be paid to you in cash unless you direct otherwise.

Administration

UMB Bank administers the Plan. The administrator serves as transfer agent, registrar and dividend paying agent for KCPL. In addition, the administrator receives and invests all cash investments by participants, maintains participants' Plan account records, issues periodic account statements and performs other duties relating to the Plan. If you have questions about the Plan, you may contact the Plan administrator:

UMB Bank, n.a.
Securities Transfer Division
P.O. Box 410064
Kansas City, MO 64141-0064
Phone: (816) 860-7891
Fax: (816) 860-3963

Investment Dates

The investment dates are the 20th day of each month. If the 20th day is not a business day, or if financial markets in New York City are not open for business, the investment date will be the next following business day.

OTHER INVESTMENT INFORMATION

The administrator must receive your funds no later than the close of the business day prior to the investment date. Funds received later are held until the next investment period. No interest is paid on funds held by the administrator pending investment. Therefore, you should send funds to the administrator shortly prior to the deadline investment date. If delivery is by mail, we recommend the mailing be made sufficiently in advance of the investment date to allow time for postal delivery. All investments must be in U.S. dollars and are subject to collection by the administrator of full face value.

At your request, the administrator will return your investment (without interest), if your written request is received two or more business days prior to the investment date. However, refunds of a check or money order will be made only after the administrator actually collects such funds.

There is a \$20 charge for each check, electronic funds transfer, or other investment that is rejected due to insufficient funds. When you enroll in the Plan, you authorize the administrator to deduct this charge from your Plan account, if necessary.

Direct Deposit

You can have any cash dividend that is not being reinvested deposited directly into your bank account by completing the direct deposit section on the enrollment form and returning it to the administrator. You can change direct deposit account information or terminate direct deposit by sending written notice prior to the record date to the administrator. To be effective for a particular dividend period, the administrator must receive your instructions fifteen calendar days prior to the record date for the dividend.

Share Safekeeping

You can deposit KCPL common stock certificates with the administrator for safekeeping. To take advantage of this feature, send your KCPL share certificates to the administrator by registered, insured mail along with a completed Certificate Deposit Form, or written instructions. Do not endorse your certificates.

The administrator will transfer your safekeeping shares into its name or the name of its nominee and deposit the shares in your Plan account in book-entry form. Safekeeping of your certificates will not affect your dividend reinvestment election.

Transferring Shares from a Brokerage Account

You may transfer shares held in "street name" through a broker or other agent to your Plan account. You should instruct your broker or other agent to initiate the transfer or you can contact the administrator to request assistance.

Share Certificates

The administrator holds shares purchased through the Plan in safekeeping in book-entry form. You can request a certificate for all or some of your Plan shares by sending a written request to the administrator. Certificates for fractional shares will not be issued. Instead, you will receive cash payment for any fractional share. The issuance of a certificate does not affect dividend reinvestment. You may not pledge shares of stock held in book-entry form by the administrator in your Plan account as collateral for a loan or otherwise assign those shares.

Selling Plan Shares

You can sell any number of whole shares held in your Plan account by completing the Change Request Form or by sending written instructions to the administrator. Sale requests must be received no later than two business days prior to the investment date to be effective. Sale proceeds, less a sale fee of \$10 and the applicable brokerage commission deductions (currently \$.10 per share) and any withholding required by law, are paid by check. A request to sell all shares in your account will terminate your Plan account. Sale requests in a dividend-paying month will be processed after any dividend reinvestment distribution to your account.

Closing a Plan Account

You can close your Plan account at any time by sending written notification to the administrator or by electing to sell or withdraw all shares on the Change Request Form. Electing to sell or withdraw all shares from your Plan account automatically terminates your Plan participation. If you close your Plan account by withdrawing all shares, the administrator will issue you a certificate for all whole shares and the cash value of any fractional share will be paid to you by check.

Instructions to close a Plan account prior to a quarterly dividend payment will be processed as soon as practicable after any dividend disbursement is allocated to your

Plan account. After you close an account, you cannot make future investments through the Plan without re-enrolling.

KCPL or the administrator, on behalf of KCPL has the right to deny, suspend or terminate your participation in the Plan on grounds of excessive enrollment and termination. This is intended to minimize administrative expense and encourage long-term investment.

Price of Shares

Shares may be purchased or sold in the open market or in privately negotiated transactions on terms and conditions acceptable to the administrator. Presently, the administrator purchases and sells shares in the open market on the New York Stock Exchange.

Shares purchased or sold for a particular investment period are credited to your Plan account at the weighted average price per share of all shares purchased or sold for that investment period, less the enrollment/sale fee plus any applicable brokerage charge (currently \$.05 per purchased share and \$.10 per share sold).

The administrator may purchase shares from or sell shares to KCPL if KCPL chooses. The price of any shares purchased from or sold to KCPL will be the average of the high and low sale prices as reported on the New York Stock Exchange consolidated tape on the transaction date.

The administrator may combine all participants' funds for the purpose of making purchases and may offset purchases of shares against sales of shares for the same investment period under the Plan, resulting in a net purchase or sale of shares.

The administrator will try to purchase or sell shares on the investment date or as soon as practicable for the relevant investment period, but not later than 30 days after the investment date.

You do not have control or authority to direct the price or time at which common stock is purchased or sold for Plan accounts. Therefore, you bear market risk associated with fluctuations in the price of common stock.

Account Statements

You will receive a statement of your account reflecting the amount invested, the purchase price, the number of shares purchased, deposited, sold, transferred, or withdrawn, the total number of shares accumulated and other information quarterly or whenever your account has a transaction activity. The quarterly statement consolidates all shares, certificated as well as book-entry shares. You should keep your statements for income tax and other purposes. If you need a replacement statement you should contact the administrator.

Reports

All notices, statements and reports will be mailed to the latest address on record with the administrator. Address changes may be made in writing or by telephone to the administrator.

MISCELLANEOUS

Rights Offering, Stock Dividends and Stock Splits

Stock dividends or split shares on your Plan book-entry shares will be credited to your book-entry Plan account. If you have elected partial dividend reinvestment, the administrator will adjust your election so that you continue to reinvest cash dividends on approximately the same percentage of your KCPL shares prior to the split. In the event of a rights offering, rights will be based on the number of shares credited to your account.

Voting Rights

You can vote all whole and fractional shares of common stock held in your Plan account in person or by the proxy card sent to you. If you do not vote in person or by proxy, your shares will not be voted.

Limitation of Liability

KCPL, its directors, officers, employees, and the administrator and its representatives are not liable for anything done in good faith or good faith omissions in administering the Plan. This includes any claim of liability based on the prices or times at which shares are purchased or sold or any change in market price of shares or for the payment or amount of any future dividends on common stock. This is not a waiver of rights you may have under applicable securities laws.

Termination of the Plan

KCPL can change, suspend or terminate the Plan at any time, in whole or in part, or may terminate the participation of any participant. KCPL reserves the right to close your account if you do not own at least one whole book-entry or certificate share of record. In that case, notices will be mailed to your last known address, along with a check for the cash value of any fractional share.

Tax Consequences

KCPL believes the following is an accurate summary of the tax consequences to participation in the Plan as of the date of this Prospectus. This summary may not reflect every possible situation resulting from participation in the Plan; therefore, you should consult your tax advisor.

Shares of common stock purchased on the open market will have a cost basis equal to the purchase price per share, including brokerage commissions. Common stock purchased from KCPL will have a cost basis equal to the price paid for the shares. This will be the price at which the administrator credits shares to your account.

In general, the full amount of cash dividends paid to you by KCPL is considered taxable income whether received in cash or reinvested under the Plan. A statement of account showing the total amount of dividends will be sent to you and reported to the Internal Revenue Service shortly after the end of the year in which they are payable.

You will generally not realize gain or loss for the U.S. federal income tax purposes upon the withdrawal of shares in certificate form from the Plan, but will generally realize gain or loss on the sale of any whole or fractional shares.

If your dividends are subject to U.S. backup withholding, the administrator will cause dividends, less the appropriate amount of tax required to be withheld, to be reinvested in common stock, or sent by check or direct deposit. The filing of any documentation to obtain a reduction in U.S. withholding tax is your responsibility. If you are subject to such withholding, you should contact your tax advisors or the Internal Revenue Service for information. KCPL cannot refund federal income tax withholding amounts.

The above may not apply to certain participants in the Plan, such as tax-exempt entities (e.g., pension funds and IRA's) and foreign shareholders. These participants should consult their tax advisors concerning tax consequences.

Use of Proceeds

If KCPL issues new shares of common stock under the Plan, the net proceeds will be added to the KCPL general funds and used for legal and lawful purposes.

Jeanie Sell Latz, Senior Vice President-Corporate Services, Corporate Secretary and Chief Legal Officer, has passed upon certain legal matters in connection with the common stock offered by this Prospectus. INDEMNIFICATION OF DIRECTORS, OFFICERS
AND OTHERS FOR SECURITIES ACT LIABILITIES

Missouri law provides that a Missouri corporation, such as KCPL, may indemnify, under circumstances provided by law, its directors, officers, employees and agents against liabilities and expenses they may incur. These circumstances could include indemnification for liabilities and expenses incurred in connection with claims arising under the Securities Act of 1933. Item 15. Indemnification of Directors and Officers

Mo. Rev. Stat. 351.355 provides as follows:

1. A corporation created under the laws of this state may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgements, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interest of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

2. The corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including attorneys' fees, and amounts paid in settlement actually reasonably incurred by him in connection with the defense or settlement of the action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless and only to the extent that the court in which the action or suit was brought determines upon application that, despite the adjudication of liability and in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

3. To the extent that a director, officer, employee or agent of the corporation has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in subsections 1 and 2 of this section, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the action, suit or proceeding.

4. Any indemnification under subsections 1 and 2 of this section, unless ordered by a court, shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in this section. The determination shall be made by the board of directors by a majority vote of a quorum consisting of directors who were not parties to the action, suit, or proceeding, or if such a quorum is not obtainable, or even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or by the shareholders.

5. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the corporation in advance of the final disposition of the action, suit, or proceeding as authorized by the board of directors in the specific case upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the corporation as authorized in this section.

6. The indemnification provided by this section shall be deemed exclusive of any other rights to which those seeking indemnification may be entitled under the articles of incorporation or bylaws or any agreement, vote of shareholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

7. A corporation created under the laws of this state shall have the power to give any further indemnity, in addition to the indemnity authorized or contemplated under other subsections of this section, including subsection 6, to any person who is or was a director, officer, employee or agent, or to any person who is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, provided such further indemnity is either (i) authorized, directed, or provided for in the articles of incorporation of the corporation or any duly adopted amendment thereof or (ii) is authorized, directed, or provided for in any bylaw or agreement of the corporation which has been adopted by a vote of the shareholders of the corporation, and provided further that no such indemnity shall indemnify any person from or on account of such person's conduct which was finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct. Nothing in this subsection shall be deemed to limit the power of the corporation under subsection 6 of this section to enact bylaws or to enter into agreements without shareholder adoption of the same.

8. The corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under the provisions of this section.

9. Any provision of this chapter to the contrary notwithstanding, the provisions of this section shall apply to all existing and new domestic corporations, including but not limited to banks, trust companies, insurance companies, building and loan associations, savings bank and safe deposit companies, mortgage loan companies, corporations formed for benevolent, religious, scientific or educational purposes and nonprofit corporations.

10. For the purpose of this section, references to "the corporation" include all constituent corporations absorbed in a consolidation or merger as well as the resulting or surviving corporation so that any person who is or was a director, officer, employee or agent of such a constituent corporation or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise shall stand in the same position under the provisions of this section with respect to the resulting or surviving corporation as he would if he had served the resulting or surviving corporation in the same capacity.

11. For purposes of this section, the term "other enterprise" shall include employee benefit plans; the term "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and the term "serving at the request of the corporation" shall include any service as a director, officer, employee, or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee, or agent with respect to an employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner he reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the corporation" as referred to in this section.

The officers and directors of the Company have entered into indemnification agreements with the Company indemnifying such officers and directors to the extent allowed under the above Section Mo. Rev. Stat. 351.355 (1994).

Article XIII of the Restated Articles of Consolidation of the Company provides as follows:

ARTICLE THIRTEENTH. (a) Right to Indemnification. Each person who was or is made a party or is threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director or officer of the Company or is or was an employee of the Company acting within the scope and course of his or her employment or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, shall be indemnified and held harmless by the Company to the fullest extent authorized by The Missouri General and Business Corporation Law, as the same exists or may hereafter be amended, against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid to or to be paid in settlement) actually and reasonably incurred by such person in connection therewith. The Company may in its discretion by action of its Board of Directors provide indemnification to agents of the Company as provided for in this ARTICLE THIRTEENTH. Such indemnification shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators.

(b) Rights Not Exclusive. The indemnification and other rights provided by this ARTICLE THIRTEENTH shall not be deemed exclusive of any other rights to which a person may be entitled under any applicable law, By-laws of the Company, agreement, vote of shareholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in any other capacity while holding the office of director or officer, and the Company is hereby expressly authorized by the shareholders of the Company to enter into agreements with its directors and officers which provide greater indemnification rights than that generally provided by The Missouri General and Business Corporation Law; provided, however, that no such further indemnity shall indemnify any person from or on account of such director's or officer's conduct which was finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct. Any such agreement providing for further indemnity entered into pursuant to this ARTICLE THIRTEENTH after the date of approval of this ARTICLE THIRTEENTH by the Company's shareholders need not be further approved by the shareholders of the Company in order to be fully effective and enforceable.

(c) Insurance. The Company may purchase and maintain insurance on behalf of any person who was or is a director, officer, employee or agent of the Company, or was or is serving at the request of the Company as a director, officer, employee or agent of another company, partnership, joint venture, trust or other enterprise against any liability asserted against or incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the Company would have the power to indemnify such person against such liability under the provisions of this ARTICLE THIRTEENTH.

(d) Amendment. This ARTICLE THIRTEENTH may be hereafter amended or repealed; however, no amendment or repeal shall reduce, terminate or otherwise adversely affect the right of a person entitled to obtain indemnification or an advance of expenses with respect to an action, suit or proceeding that pertains to or arises out of actions or omissions that occur prior to the later of (a) the effective date of such amendment or repeal; (b) the expiration date of such person's then current term of office with, or service for, the Company (provided such person has a stated term of office or service and completes such term); or (c) the effective date such person resigns his or her office or terminates his or her service (provided such person has a stated term of office or service but resigns prior to the expiration of such term).
