Item 1.01 Entry into a Material Definitive Agreement

On September 25, 2007, Great Plains Energy Incorporated (Great Plains Energy) issued \$100 million principal amount of its 6.875% Notes due September 15, 2017 (Notes). See Item 2.03 below for a description of the Notes and related agreements.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On September 25, 2007, Great Plains Energy issued \$100 million principal amount of its 6.875% Notes due September 15, 2017. The Notes were issued pursuant to an Indenture dated as of June 1, 2004 (Indenture) between Great Plains Energy and The Bank of New York Trust Company, N.A. (as successor to BNY Midwest Trust Company), as trustee, as supplemented by a Second Supplemental Indenture dated as of September 25, 2007 (Supplemental Indenture). The Notes are unsecured. Great Plains Energy will use the net proceeds from the sale of the Notes to make a capital contribution to its direct wholly-owned subsidiary, Kansas City Power & Light Company (KCP&L), for the repayment of a portion of KCP&L's outstanding commercial paper. The Notes were registered under the Securities Act of 1933, as amended, pursuant to Great Plains Energy's registration statement on Form S-3 (Registration No. 333-133891) (the Registration Statement), which was effective upon filing with the Securities and Exchange Commission on May 8, 2006.

The Notes carry an interest rate of 6.875% per annum, which is subject to adjustment. If the rating on the Notes from Moody's Investors Service, Inc. falls below Baa3, or the rating on the Notes from Standard & Poor's Ratings Services, a division of McGraw-Hill, Inc. falls below BBB-, the interest rate on the Notes will increase as provided in, and subject to further adjustment and the limits stated in, the Supplemental Indenture, but in no case will the interest rate exceed 8.875% per annum. Interest on the Notes is payable semi-annually on March 15 and September 15 of each year, commencing on March 15, 2008. The Notes are redeemable at any time at Great Plains Energy's option at a redemption price equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed, plus accrued interest to the redemption date, and (ii) the discounted present value of the remaining scheduled payments of principal and interest on the Notes to be redeemed, plus accrued interest to the redemption date. The Supplemental Indenture contains a covenant providing that, if Great Plains Energy itself incurs indebtedness for borrowed money secured by a lien on any shares of capital stock or other equity interests of any of its directly owned majority-owned subsidiaries, Great Plains Energy is required to secure the notes equally and ratably (or prior to) such indebtedness. For more information regarding the terms of the Notes, please see the Indenture, a copy of which is filed as Exhibit 4.4 to Great Plains Energy's Form 8-A/A filed June 14, 2004 and incorporated by reference in the Registration Statement, and the Supplemental Indenture (which includes a form of the Notes), a copy of which is filed as Exhibit 4.1 to this Report.

In connection with the issuance of the Notes, Sidley Austin LLP provided Great Plains Energy with the legal opinion attached to this Report as Exhibit 5.1.

A copy of the Underwriting Agreement dated September 20, 2007 between Great Plains Energy and J.P. Morgan Securities Inc. (JPMorgan Securities), as representative of the several underwriters named therein, is filed as Exhibit 1.1 to this Report. Affiliates of each of the underwriters and trustee are lenders under revolving credit agreements entered into separately with Great Plains Energy and its wholly-owned subsidiary, Kansas City Power & Light Company

(KCP&L), in May 2006. In connection with each of these arrangements, JPMorgan Chase Bank, N.A., an affiliate of JPMorgan Securities, acted as syndication agent, and JPMorgan Securities acted as a joint-lead arranger. An affiliate of UMB Financial Services, Inc. is the transfer agent and registrar for Great Plains Energy's common stock, and is the trustee under KCP&L's general mortgage indenture and deed of trust, and indentures supplemental thereto. Great Plains Energy's Chairman and Chief Executive Officer is a director of UMB Financial Corporation, the holding company parent of UMB Financial Services, Inc. The underwriters and their affiliates have provided and in the future may continue to provide investment banking, commercial banking and other financial services to Great Plains Energy, KCP&L and their respective affiliates in the ordinary course of business for which they have received and will receive customary compensation. Affiliates of certain of the underwriters participate in the commercial paper program of KCP&L and may from time to time hold KCP&L's commercial paper. The trustee and its affiliates are the trustee under certain indentures with Great Plains Energy and KCP&L. An affiliate of the trustee is also a depository.

Ladies and Gentlemen:

Great Plains Energy Incorporated, a Missouri corporation (the "**Company**"), proposes to issue and sell to the several underwriters named in Schedule A (the "**Underwriters**"), acting severally and not jointly, the respective amounts set forth in such Schedule A of \$100,000,000 aggregate principal amount of the Company's 6.875% Notes due 2017 (the "**Notes**"). J.P. Morgan Securities Inc. has agreed to act as representative of the several Underwriters (in such capacity, the "**Representative**") in connection with the offering and sale of the Notes.

The Notes will be issued pursuant to an indenture (the "**Base Indenture**"), dated as of June 1, 2004 between the Company and The Bank of New York Trust Company, N.A. (successor to BNY Midwest Trust Company), as trustee (the "**Trustee**"). Certain terms of the Notes will be established pursuant to a supplemental indenture (the "**Supplemental Indenture**") in accordance with Article Thirteen of the Base Indenture (together with the Base Indenture, the "**Indenture**"). The Notes will be issued in book-entry form in the name of Cede & Co., as nominee of The Depository Trust Company (the "**Depository**"), pursuant to a Letter of Representations, to be dated on or before the Closing Date (as defined in Section 2(b) below) (the "**DTC Agreement**"), among the Company, the Trustee and the Depository.

The Company has prepared and filed with the Securities and Exchange Commission (the "**Commission**") a registration statement on Form S-3 (File No. 333-133891), to be used in connection with, among other securities, the public offering and sale of debt securities, including the Notes, of the Company. Such registration statement, including the financial statements, exhibits and schedules thereto, in the form in which it became effective under the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (collectively, the "**Securities Act**"), including any required information deemed to be a part of the registration statement at the time of effectiveness pursuant to Rule 430B under the Securities Act, is called the "**Registration Statement**". The term "**Base Prospectus**" shall mean the base prospectus dated May 8, 2006 relating to the Notes. The term "**Preliminary Prospectus**" shall mean any preliminary prospectus supplement relating to the Notes, together with the Base Prospectus, that is first filed with the Commission pursuant to Rule 424(b). The term "**Prospectus**" shall mean

the final prospectus supplement relating to the Notes, together with the Base Prospectus, that is first filed pursuant to Rule 424(b) after the date and time that this Agreement is executed (the “**Execution Time**”) and delivered by the parties hereto. Any reference herein to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents that are or are deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act prior to 6:29 p.m. (Eastern time) on September 20, 2007 (the “**Initial Sale Time**”). All references in this Agreement to the Registration Statement, any Preliminary Prospectus, the Prospectus, or any amendments or supplements to any of the foregoing, shall include any copy thereof filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval System (“**EDGAR**”).

All references in this Agreement to financial statements and schedules and other information which is “contained,” “included” or “stated” (or other references of like import) in the Registration Statement, the Prospectus or any Preliminary Prospectus shall be deemed to mean and include all such financial statements and schedules and other information which is or is deemed to be incorporated by reference in the Registration Statement, the Prospectus or any Preliminary Prospectus, as the case may be, prior to the Initial Sale Time; and all references in this Agreement to amendments or supplements to the Registration Statement, the Prospectus or any Preliminary Prospectus shall be deemed to include the filing of any document under the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (collectively, the “**Exchange Act**”), which is or is deemed to be incorporated by reference in the Registration Statement, the Prospectus or any Preliminary Prospectus, as the case may be, after the Initial Sale Time.

The Company hereby confirms its agreements with the Underwriters as follows:

SECTION 1. Representations and Warranties of the Company.

The Company hereby represents, warrants and covenants to each Underwriter as of the date hereof, as of the Initial Sale Time and as of the Closing Date (as defined herein) (in each case, a “**Representation Date**”), as follows:

a) *Compliance with Registration Requirements.* The Company meets the requirements for use of Form S-3 under the Securities Act. The Registration Statement has become effective under the Securities Act and no stop order suspending the effectiveness of the Registration Statement has been issued under the Securities Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated or threatened by the Commission, and any request on the part of the Commission for additional information has been complied with. In addition, the Indenture has been duly qualified under the Trust Indenture Act of 1939, as amended, and the rules and regulations promulgated thereunder (the “**Trust Indenture Act**”).

At the respective times the Registration Statement and any post-effective amendments thereto became effective and at each Representation Date, the Registration Statement and any amendments thereto (i) complied and will comply in all material respects with the requirements of the Securities Act and the Trust Indenture Act, and (ii) did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or

necessary to make the statements therein not misleading. Neither the Prospectus nor any amendments or supplements thereto, at the time the Prospectus or any such amendment or supplement was issued and at the Closing Date, included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Notwithstanding the foregoing, the representations and warranties in this subsection shall not apply to (i) that part of the Registration Statement which constitutes the Statement of Eligibility on Form T-1 of the Trustee under the Trust Indenture Act or (ii) statements in or omissions from the Registration Statement or any post-effective amendment or the Prospectus or any amendments or supplements thereto made in reliance upon and in conformity with information furnished to the Company in writing by any of the Underwriters through the Representative expressly for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in Section 6(b) hereof.

Each Preliminary Prospectus and the Prospectus, at the time each was filed with the Commission, complied in all material respects with the Securities Act, and each Preliminary Prospectus and the Prospectus delivered to the Underwriters for use in connection with the offering of the Notes will, at the time of such delivery, be identical to any electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

b) *Disclosure Package*. The term “**Disclosure Package**” shall mean (i) the Preliminary Prospectus dated September 10, 2007, (ii) each issuer free writing prospectus as defined in Rule 433 of the Securities Act, if any, identified in Annex I hereto (each, an “**Issuer Free Writing Prospectus**”) and (iii) any other free writing prospectus that the parties hereto shall hereafter expressly agree in writing to treat as part of the Disclosure Package. At the Initial Sale Time, the Disclosure Package did not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representative specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 6(b) hereof.

c) *Incorporated Documents*. The documents incorporated or deemed to be incorporated by reference in the Registration Statement, any Preliminary Prospectus and the Prospectus (i) at the time they were or hereafter are filed with the Commission, complied or will comply in all material respects with the requirements of the Exchange Act and (ii) when read together with the other information in the Disclosure Package, at the Initial Sale Time, and when read together with the other information in the Prospectus, at the date of the Prospectus and at the Closing Date, did not or will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

d) *Well-Known Seasoned Issuer*. (i) At the time of filing the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Securities Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Exchange Act or form of prospectus), (iii) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) of the Securities Act) made any offer relating to the Notes in reliance on the exemption of Rule 163 of the Securities Act, and (iv) as of the Execution Time (with such date being used as the determination date for purposes of this clause (iv)), the Company was and is a “well-known seasoned issuer” as defined in Rule 405 of the Securities Act. The Registration Statement is an “automatic shelf registration statement”, as defined in Rule 405 of the Securities Act, the Company has not received from the Commission any notice pursuant to Rule 401(g)(2) of the Securities Act objecting to use of the automatic shelf registration statement form and the Company has not otherwise ceased to be eligible to use the automatic shelf registration statement form.

e) *Not an Ineligible Issuer*. (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant makes a *bona fide* offer (within the meaning of Rule 164(h)(2) of the Securities Act) of the Notes and (ii) as of the Execution Time (with such date being used as the determination date for purposes of this clause (ii)), the Company was not or is not an Ineligible Issuer (as defined in Rule 405 of the Securities Act), without taking account of any determination by the Commission pursuant to Rule 405 of the Securities Act that it is not necessary that the Company be considered an Ineligible Issuer.

f) *Issuer Free Writing Prospectuses*. Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offering and sale of Notes or until any earlier date that the Company notified or notifies the Representative as described in the next sentence, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement, any Preliminary Prospectus or the Prospectus. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, any Preliminary Prospectus or the Prospectus, the Company has promptly notified or will promptly notify the Representative and has promptly amended or supplemented or will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict. The foregoing two sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representative specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in Section 6(b) hereof. No electronic roadshow has been prepared or used by the Company in connection with the offering of the Notes.

g) *No Applicable Registration or Other Similar Rights*. There are no persons with registration or other similar rights to have any equity or debt securities registered for sale under the Registration Statement or included in the offering contemplated by this Agreement, except for such rights as have been duly waived.

h) *Due Incorporation and Qualification.* The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the state of Missouri with corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Disclosure Package and the Prospectus and to enter into and perform its obligations under this Agreement, the Supplemental Indenture and the Notes and to perform its obligations under the Indenture; and the Company is duly qualified as a foreign corporation to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify and be in good standing would not result in a Material Adverse Change (as defined herein).

i) *Subsidiaries.* Each of KLT Inc., Kansas City Power & Light Company (“KCP&L”), Kansas City Power and Light Receivables Company, KLT Energy Services Inc., Innovative Energy Consultants Inc., Custom Energy Holdings, L.L.C., and Strategic Energy, L.L.C. (“Strategic Energy”) and each “significant subsidiary” (as such term is defined in Rule 1-02 of Regulation S-X) of the Company (each, a “Subsidiary” and, together, the “Subsidiaries”) has been duly organized or formed and is validly existing as a corporation or limited liability company in good standing under the laws of its jurisdiction of incorporation or formation, has corporate or limited liability company power and authority to own, lease and operate its properties and to conduct its business as described in the Disclosure Package and the Prospectus and is duly qualified as a foreign corporation or limited liability company to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure so to qualify or to be in good standing would not result in a Material Adverse Change; except as otherwise disclosed in the Disclosure Package and the Prospectus, all of the issued and outstanding shares of capital stock or limited liability company interests owned directly or indirectly by the Company of each such Subsidiary have been duly authorized and validly issued, are, in the case of shares of capital stock, fully paid and non-assessable and are owned by the Company, directly or through subsidiaries, free and clear of any security interest, mortgage, pledge, lien, encumbrance, claim or equity; and none of the outstanding shares of capital stock or limited liability company interests of any Subsidiary was issued in violation of the preemptive or similar rights of any securityholder of such Subsidiary.

j) *Capitalization.* The shares of issued and outstanding capital stock of the Company have been duly authorized and validly issued and are fully paid and non-assessable; none of the outstanding shares of capital stock of the Company was issued in violation of the preemptive or other similar rights of any securityholder of the Company.

l) *Financial Statements.* The historical financial statements and any supporting schedules of the Company included or incorporated by reference in the Registration Statement, the Disclosure Package and the Prospectus (in each case, other than pro forma financial information and projections) present fairly, in all material respects, the financial position of the

Company as of the dates indicated and the results of its operations and cash flows for the periods specified; except as stated therein, said financial statements have been prepared in conformity with generally accepted accounting principles in the United States (“GAAP”) applied on a consistent basis; and any such supporting schedules included in the Registration Statement present fairly, in all material respects, the information required to be stated therein. The selected financial data and the summary financial information of the Company included or incorporated by reference in the Disclosure Package and the Prospectus (in each case, other than pro forma financial information and projections) present fairly, in accordance with GAAP, the information shown therein and have been compiled on a basis consistent with that of the audited financial statements included or incorporated by reference in the Registration Statement, the Disclosure Package and the Prospectus. The historical pro forma financial statements of the Company included or incorporated by reference in the Registration Statement have been prepared in accordance with the applicable requirements of the Securities Act and the Exchange Act, as applicable. The assumptions used in preparing the pro forma financial statements of the Company included or incorporated by reference in the Registration Statement, the Disclosure Package and the Prospectus provide a reasonable basis for presenting the significant effects directly attributable to the transactions or events described therein; the related pro forma adjustments give appropriate effect to those assumptions in all material respects; and the pro forma columns therein reflect the proper application of those adjustments to the corresponding historical financial statement amounts in all material respects.

n) *Authorization of the Indenture.* The Indenture has been duly qualified under the Trust Indenture Act and has been duly authorized, executed and delivered by the Company and constitutes a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting the enforcement of creditors’ rights generally and except as enforcement thereof is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

o) *Authorization of the Notes.* The Notes to be purchased by the Underwriters from the Company are in the form contemplated by the Indenture, have been duly authorized for issuance and sale pursuant to this Agreement and the Indenture and, at the Closing Date, will have been duly executed by the Company and, when authenticated in the manner provided for in the Indenture and delivered against payment of the purchase price therefor, will constitute valid and binding obligations of the Company, enforceable in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting the enforcement of creditors’ rights generally and except as enforcement thereof is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law) and will be entitled to the benefits of the Indenture.

p) *Description of the Notes and the Indenture.* The Notes and the Indenture conform in all material respects to the descriptions thereof contained in the Disclosure Package and the Prospectus.

The execution and delivery of this Agreement, the Indenture and the Notes and the consummation of the transactions contemplated herein and therein have been duly authorized by all necessary corporate action and do not and will not conflict with or constitute a breach of, or default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any Subsidiary pursuant to, any material Agreements and Instruments, nor will such action result in any violation of the provisions of the charter, limited liability company agreement or by-laws, of the Company or any of the Subsidiaries or any applicable law, administrative regulation or administrative or court order or decree.

u) *Franchises*. The Company and the Subsidiaries hold, to the extent required, valid and subsisting franchises, licenses and permits authorizing them to carry on the regulated utility businesses in which they are engaged (including, without limitation, the regulated utility businesses conducted by KCP&L and the competitive electricity supply services provided by Strategic Energy), in the territories from which substantially all of the Company's consolidated gross operating revenue is derived, except where the failure to hold such franchises, licenses and permits would not result in a Material Adverse Change.

v) *Environmental Laws*. Except as described, incorporated or deemed incorporated by reference in the Disclosure Package and the Prospectus, and except as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Change, (A) neither the Company nor any of the Subsidiaries is in violation of any federal, state, local or foreign statute, law, rule, regulation, ordinance, code, policy or rule of common law or any judicial or administrative interpretation thereof, including any judicial or administrative order, consent, decree or judgment, relating to pollution or protection of human health, the environment (including, without limitation, ambient air, surface water, groundwater, land surface or subsurface strata) or wildlife, including, without limitation, laws and regulations relating to the release or threatened release of chemicals, pollutants, contaminants, wastes, toxic substances, hazardous substances, petroleum or petroleum products, asbestos-containing materials or mold (collectively, "**Hazardous Materials**") or to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials (collectively, "**Environmental Laws**"), (B) the Company and the Subsidiaries have all permits, authorizations and approvals required under any applicable Environmental Laws and are each in compliance with their requirements, (C) there are no pending or, to the knowledge of the Company, threatened administrative, regulatory or judicial actions, suits, demands, demand letters, claims, liens, notices of noncompliance or violation, investigation or proceedings relating to any Environmental Law against the Company or any of the Subsidiaries and (D) there are no events or circumstances that would reasonably be expected to form the basis of an order for clean-up or remediation, or an action, suit or proceeding by any private party or governmental body or agency, against or affecting the Company or any of the Subsidiaries relating to Hazardous Materials or any Environmental Laws.

w) *Investment Company Act*. The Company is not and, upon the issuance and sale of the Notes as contemplated herein and the application of the net proceeds thereof as described in the Disclosure Package and the Prospectus, will not be, required to register as an "investment company" under the Investment Company Act of 1940, as amended.

x) *ERISA*. The Company and the Subsidiaries are in compliance in all material respects with all presently applicable provisions of the Employee Retirement Income Security Act of 1974, as amended, including the regulations and published interpretations thereunder ("**ERISA**"); no "reportable event" (as defined in ERISA) has occurred with respect to any "pension plan" (as defined in ERISA) for which the Company or any of the Subsidiaries would have any material liability; the Company and the Subsidiaries have not incurred and do not expect to incur any material liability under (i) Title IV of ERISA with respect to the termination of, or withdrawal from, any "pension plan" or (ii) Section 412 or 4971 of the Internal Revenue Code of 1986, as amended, including the regulations and published interpretations thereunder (the "**Code**"); and each "pension plan" for which the Company or any of the Subsidiaries would

y) *Insurance.* The Company and each of the Subsidiaries carry, or are covered by, insurance in such amounts and covering such risks as is adequate for the conduct of their respective businesses and the value of their respective properties.

z) *Taxes.* The Company and each of the Subsidiaries has filed all federal, state and local income and franchise tax returns required to be filed through the date hereof and has paid all taxes due thereon, except such as are being contested in good faith by appropriate proceedings, and no tax deficiency has been determined adversely to the Company or any of the Subsidiaries which has had, nor does the Company have any knowledge of any tax deficiency which, if determined adversely to the Company or any of the Subsidiaries, would reasonably be expected to result in, a Material Adverse Change.

aa) *Internal Controls.* Each of the Company and the Subsidiaries (A) make and keep accurate books and records and (B) maintain internal accounting controls which provide reasonable assurance that (i) transactions are executed in accordance with management's authorization, (ii) transactions are recorded as necessary to permit preparation of its financial statements and to maintain accountability for its assets, (iii) access to its assets is permitted only in accordance with management's authorization and (iv) the reported accountability for its assets is compared with existing assets at reasonable intervals. Except as described in the Disclosure Package and the Prospectus, since the end of the Company's most recent audited fiscal year, there has been (I) no material weakness in the Company's internal control over financial reporting (whether or not remediated) and (II) no change in the Company's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

bb) *Sarbanes-Oxley.* The Company is in compliance, in all material respects, with all applicable provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith, including Section 402 related to loans, and the requirement that the Company and its consolidated subsidiaries maintain the following, among other, controls and procedures:

- (i) a system of "internal accounting controls" as contemplated in Section 13(b)(2)(B) of the Exchange Act;
- (ii) "disclosure controls and procedures" as such term is defined in Rule 13a-15(e) under the Exchange Act; and
- (iii) "internal control over financial reporting" as such term is defined in Rule 13a-15(f) under the Exchange Act.

cc) *Pending Proceedings and Examinations.* The Registration Statement is not the subject of a pending proceeding or examination under Section 8(d) or 8(e) of the Securities Act, and the Company is not the subject of a pending proceeding under Section 8A of the Securities Act in connection with the offering of the Notes (however, certain documents incorporated by

reference in the Registration Statement are being reviewed by, and the Company is in the process of responding to comments from, the Commission).

dd) *Ratings*. The Notes are rated Baa2 (Stable Outlook) by Moody's Investors Service, Inc. and BBB- (CreditWatch with Negative Implications) by Standard & Poor's Ratings Services.

Any certificate signed by any director or officer of the Company and delivered to the Underwriters or to counsel for the Underwriters shall be deemed a representation and warranty by the Company to the Underwriters as to the matters covered thereby on the date of such certificate and, unless subsequently amended or supplemented, at each Representation Date subsequent thereto.

SECTION 2. Purchase, Sale and Delivery of the Notes.

a) *The Notes*. The Company agrees to issue and sell to the several Underwriters, severally and not jointly, all of the Notes upon the terms herein set forth. On the basis of the representations, warranties and agreements herein contained, and upon the terms but subject to the conditions herein set forth, the Underwriters agree, severally and not jointly, to purchase from the Company the aggregate principal amount of Notes set forth opposite their names on Schedule A, plus any additional principal amount of Notes which such Underwriter may become obligated to purchase pursuant to Section 8 hereof, at a purchase price of 98.834% of the principal amount of the Notes, payable on the Closing Date.

b) *The Closing Date*. Delivery of certificates for the Notes in global form to be purchased by the Underwriters and payment therefor shall be made at the offices of Davis Polk & Wardwell, 1600 El Camino Real, Menlo Park, California (or such other place as may be agreed to by the Company and the Representative) at 9:00 a.m., New York City time, on September 25, 2007, or such other time and date as the Underwriters and the Company shall mutually agree (the time and date of such closing are called the "**Closing Date**").

c) *Public Offering of the Notes*. The Representative hereby advises the Company that the Underwriters intend to offer for sale to the public, as described in the Disclosure Package and the Prospectus, their respective portions of the Notes as soon after this Agreement has been executed as the Representative, in its sole judgment, has determined is advisable and practicable.

d) *Payment for the Notes*. Payment for the Notes shall be made at the Closing Date by wire transfer of immediately available funds to the order of the Company.

It is understood that the Representative has been authorized, for its own account and for the accounts of the several Underwriters, to accept delivery of and receipt for, and make payment of the purchase price for, the Notes that the Underwriters have agreed to purchase. The Representative may (but shall not be obligated to) make payment for any Notes to be purchased by any Underwriter whose funds shall not have been received by the Representative by the Closing Date for the account of such Underwriter, but any such payment shall not relieve such Underwriter from any of its obligations under this Agreement.

e) *Delivery of the Notes*. The Company shall deliver, or cause to be delivered, to the Representative for the accounts of the several Underwriters through the facilities of the Depositary certificates for the Notes at the Closing Date, against the irrevocable release of a wire transfer of immediately available funds for the amount of the purchase price therefor. The certificates for the Notes shall be definitive global certificates in book-entry form for clearance through the Depositary. Time shall be of the essence, and delivery at the time and place specified in this Agreement is a further condition to the obligations of the Underwriters.

SECTION 3. Covenants of the Company.

The Company covenants and agrees with each Underwriter as follows:

a) *Compliance with Securities Regulations and Commission Requests*. The Company, subject to Section 3(b) hereof, will comply with the requirements of Rule 430B under the Securities Act, and will promptly notify the Representative, and confirm the notice in writing, of (i) the effectiveness during the Prospectus Delivery Period (as defined below) of any post-effective amendment to the Registration Statement or the filing of any supplement or amendment to any Preliminary Prospectus or the Prospectus, (ii) the receipt of any comments from the Commission during the Prospectus Delivery Period, (iii) any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to any Preliminary Prospectus or the Prospectus or for additional information, and (iv) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any order preventing or suspending the use of any Preliminary Prospectus or the Prospectus, or of the suspension of the qualification of the Notes for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes. The Company will promptly effect the filings necessary pursuant to Rule 424 and will take such steps as it deems necessary to ascertain promptly whether any Preliminary Prospectus and the Prospectus transmitted for filing under Rule 424 was received for filing by the Commission and, in the event that it was not, it will promptly file such document. The Company will use every reasonable effort to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment.

b) *Representative's Review of Proposed Amendments and Supplements*. During the period beginning on the date of this Agreement and ending on the later of the Closing Date or such date, as in the opinion of counsel for the Underwriters, a prospectus relating to the Notes is no longer required by law to be delivered in connection with sales of the Notes by an Underwriter or dealer, including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act (the "**Prospectus Delivery Period**"), prior to amending or supplementing the Registration Statement, the Disclosure Package or the Prospectus (including any amendment or supplement through incorporation by reference of any report filed under the Exchange Act), the Company shall furnish, within a reasonable time prior to filing such amendment or supplement, to the Representative for review a copy of each such proposed amendment or supplement, and the Company shall not file or use any such proposed amendment or supplement (except for any amendment or supplement filed under the Exchange Act after the Closing Date) to which the Representative or counsel for the Underwriters shall reasonably object.

c) *Delivery of Registration Statements.* If requested, the Company will furnish or deliver to the Representative and counsel for the Underwriters, without charge, copies of the Registration Statement as originally filed and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated or deemed to be incorporated by reference therein) and copies of all consents and certificates of experts, and will also deliver to the Representative, without charge, a conformed copy of the Registration Statement as originally filed and of each amendment thereto (without exhibits) for each of the Underwriters. The Registration Statement and each amendment thereto furnished to the Underwriters will be identical to any electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

d) *Delivery of Prospectuses.* The Company will deliver to each Underwriter, without charge, as many copies of each Preliminary Prospectus as such Underwriter may reasonably request, and the Company hereby consents to the use of such copies for purposes permitted by the Securities Act. The Company will furnish to each Underwriter, without charge, during the Prospectus Delivery Period, such number of copies of the Prospectus as such Underwriter may reasonably request. Each Preliminary Prospectus and the Prospectus and any amendments or supplements thereto furnished to the Underwriters will be identical to any electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

e) *Continued Compliance with Securities Laws.* The Company will comply with the Securities Act and the Exchange Act so as to permit the completion of the distribution of the Notes as contemplated in this Agreement and the Prospectus. If, at any time during the Prospectus Delivery Period, any event shall occur or condition shall exist as a result of which it is necessary to amend the Registration Statement in order that the Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or to amend or supplement the Disclosure Package or the Prospectus in order that the Disclosure Package or the Prospectus, as the case may be, will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the Initial Sale Time or at the time it is delivered or conveyed to a purchaser, not misleading, or if it shall be necessary at any such time to amend the Registration Statement or amend or supplement the Disclosure Package or the Prospectus in order to comply with the requirements of the Securities Act, the Company will (1) notify the Representative of any such event, development or condition, (2) promptly prepare and file with the Commission, subject to Section 3(b) hereof, such amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement, the Disclosure Package or the Prospectus comply with such requirements, and (3) the Company will furnish to the Underwriters, without charge, such number of copies of such amendment or supplement to the Disclosure Package or the Prospectus as the Underwriters may reasonably request.

f) *Blue Sky Compliance.* The Company shall cooperate with the Representative and counsel for the Underwriters to qualify or register the Notes for sale under (or obtain exemptions from the application of) the state securities or blue sky laws of those jurisdictions designated by the Representative, shall comply with such laws and shall continue such qualifications, registrations and exemptions in effect so long as required for the distribution of the Notes. The

Company shall not be required to qualify to transact business or to take any action that would subject it to general service of process in any such jurisdiction where it is not presently qualified or where it would be subject to taxation as a foreign business. The Company will advise the Representative promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Notes for offering, sale or trading in any jurisdiction or any initiation or threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, the Company shall use every reasonable effort to obtain the withdrawal thereof at the earliest possible moment.

g) *Use of Proceeds*. The Company shall apply the net proceeds from the sale of the Notes sold by it in the manner described under the caption “Use of Proceeds” in each of the Disclosure Package and the Prospectus.

h) *Depositary*. The Company will cooperate with the Underwriters and use every reasonable effort to permit the Notes to be eligible for clearance and settlement through the facilities of the Depositary.

i) *Periodic Reporting Obligations*. During the Prospectus Delivery Period and subject to Section 3(b) hereof, the Company shall file, on a timely basis, with the Commission all reports and documents required to be filed under the Exchange Act.

j) *Agreement Not to Offer or Sell Additional Securities*. During the period commencing on the date hereof and ending on the Closing Date, the Company will not, without the prior written consent of the Representative (which consent may be withheld at the sole discretion of the Representative), directly or indirectly, sell, offer, contract or grant any option to sell, transfer or establish an open “put equivalent position” within the meaning of Rule 16a-1(h) under the Exchange Act, or otherwise dispose of or transfer, or announce the offering of, or file any registration statement under the Securities Act in respect of, any debt securities of the Company similar to the Notes or securities exchangeable for or convertible into debt securities similar to the Notes (other than as contemplated by this Agreement with respect to the Notes).

k) *Final Term Sheet*. The Company will prepare a final term sheet containing only a description of the Notes, in substantially the form attached hereto as Exhibit B, and will file such term sheet pursuant to Rule 433(d) under the Securities Act within the time required by such rule (such term sheet, the “**Final Term Sheet**”). The Final Term Sheet is an Issuer Free Writing Prospectus for purposes of this Agreement.

l) *Permitted Free Writing Prospectuses*. The Company represents that it has not made, and agrees that, unless it obtains the prior written consent of the Representative, and each Underwriter, severally and not jointly, represents that it has not made, and agrees with the Company that, unless it obtains the prior written consent of the Company, it will not make, any offer relating to the Notes that would constitute an “issuer free writing prospectus” or that would otherwise constitute a “free writing prospectus” (as those terms are defined in Rule 405 of the Securities Act) required to be filed by the Company with the Commission or retained by the Company under Rule 433 of the Securities Act; provided that the prior written consent of the Representative shall be deemed to have been given in respect of the Issuer Free Writing Prospectuses included in Annex I hereto. Any such free writing prospectus consented to by the

Representative is hereinafter referred to as a “**Permitted Free Writing Prospectus**”. The Company agrees that (i) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus, and (ii) has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 of the Securities Act applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

m) *Notice of Inability to Use Automatic Shelf Registration Statement Form.* If at any time during the Prospectus Delivery Period the Company receives from the Commission a notice pursuant to Rule 401(g)(2) or otherwise ceases to be eligible to use the automatic shelf registration statement form, the Company will (i) promptly notify the Representative, (ii) promptly file a new registration statement or post-effective amendment on the proper form relating to the Notes, in a form satisfactory to the Representative, (iii) use its best efforts to cause such registration statement or post-effective amendment to be declared effective and (iv) promptly notify the Representative of such effectiveness. The Company will take all other action necessary or appropriate to permit the public offering and sale of the Notes to continue as contemplated in the registration statement that was the subject of the Rule 401(g)(2) notice or for which the Company has otherwise become ineligible. References herein to the Registration Statement shall include such new registration statement or post-effective amendment, as the case may be.

n) *Filing Fees.* The Company agrees to pay the required Commission filing fees relating to the Notes within the time required by Rule 456(b)(1) of the Securities Act without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) of the Securities Act.

o) *No Manipulation of Price.* The Company will not take, directly or indirectly, any action designed to cause or result in, or that has constituted or might reasonably be expected to constitute, under the Exchange Act or otherwise, the stabilization or manipulation of the price of any securities of the Company to facilitate the sale or resale of the Notes.

p) *Earning Statement.* The Company will make generally available to the Company’s security holders and to the Representative as soon as practicable an earning statement covering a period of at least twelve months beginning with the first fiscal quarter of the Company occurring after the date of this Agreement that will satisfy the provisions of Section 11(a) of the Securities Act.

The Representative, on behalf of the several Underwriters, may, in its sole discretion, waive in writing the performance by the Company of any one or more of the foregoing covenants or extend the time for their performance.

SECTION 4. Payment of Expenses. The Company agrees to pay all costs, fees and expenses incurred in connection with the performance of its obligations hereunder and in connection with the transactions contemplated hereby, including without limitation (i) all expenses incident to the issuance and delivery of the Notes (including all printing and engraving costs), (ii) all necessary issue, transfer and other stamp taxes in connection with the issuance and sale of the Notes to the Underwriters, (iii) all fees and expenses of the Company’s counsel,

independent public or certified public accountants and other advisors to the Company, (iv) all costs and expenses incurred in connection with the preparation, printing, filing, shipping and distribution of the Registration Statement (including financial statements, exhibits, schedules, consents and certificates of experts), each Issuer Free Writing Prospectus, each Preliminary Prospectus and the Prospectus, and all amendments and supplements thereto, and this Agreement, the Indenture, the DTC Agreement and the Notes, (v) all filing fees, reasonable attorneys' fees and expenses incurred by the Company or the Underwriters in connection with qualifying or registering (or obtaining exemptions from the qualification or registration of) all or any part of the Notes for offer and sale under the state securities or blue sky laws, and, if requested by the Representative, preparing a "Blue Sky Survey" or memorandum, and any supplements thereto, advising the Underwriters of such qualifications, registrations and exemptions, (vi) the filing fees incident to, and the reasonable fees and disbursements of counsel to the Underwriters in connection with, the review, if any, by the NASD of the terms of the sale of the Notes, (vii) the fees and expenses of the Trustee, including the reasonable fees and disbursements of counsel for the Trustee in connection with the Indenture and the Notes, (viii) any fees payable in connection with the rating of the Notes with the ratings agencies, (ix) all fees and expenses (including reasonable fees and expenses of counsel) of the Company in connection with approval of the Notes by the Depositary for "book-entry" transfer, (x) all other fees, costs and expenses referred to in Item 14 of Part II of the Registration Statement, (xi) all reasonable out-of-pocket expenses incurred by the Representative with respect to any roadshow, including expenses relating to slide production, internet roadshow taping and travel, and (xii) all other fees, costs and expenses incurred in connection with the performance of its obligations hereunder for which provision is not otherwise made in this Section 4. Except as provided in this Section 4, Section 6 and Section 7 hereof, the Underwriters shall pay their own expenses, including the fees and disbursements of their counsel.

SECTION 5. Conditions of the Obligations of the Underwriters. The obligations of the several Underwriters to purchase and pay for the Notes as provided herein on the Closing Date shall be subject to the accuracy of the representations and warranties on the part of the Company set forth in Section 1 hereof as of each Representation Date as though then made and to the timely performance by the Company of its covenants and other obligations hereunder, and to each of the following additional conditions:

a) *Effectiveness of Registration Statement.* The Registration Statement shall remain effective under the Securities Act and no stop order suspending the effectiveness of the Registration Statement shall have been issued under the Securities Act and no proceedings for that purpose shall have been instituted or be pending or threatened by the Commission, any request on the part of the Commission for additional information shall have been complied with to the reasonable satisfaction of counsel to the Underwriters and the Company shall not have received from the Commission any notice pursuant to Rule 401(g)(2) of the Securities Act objecting to use of the automatic shelf registration statement form.

e) *No Material Adverse Change or Ratings Agency Change.* For the period from the Execution Time to the Closing Date:

(i) in the reasonable judgment of the Representative, there shall not have occurred any Material Adverse Change, except as reflected in or contemplated by the Disclosure Package; and

(ii) there shall not have occurred any downgrading, nor shall any notice have been given of any intended or potential downgrading or of any review for a possible change that does not indicate the direction of the possible change, in the rating accorded any securities of the Company or any of the Subsidiaries by any “nationally recognized statistical rating organization” as such term is defined for purposes of Rule 436(g)(2) under the Securities Act.

f) *Opinion of Counsel for the Company.* On the Closing Date, the Representative shall have received the favorable opinions of (i) Sidley Austin LLP, counsel for the Company, dated as of such Closing Date, the form of which is attached as Exhibit A-1, and (ii) Mark English, the General Counsel of the Company, dated as of such Closing Date, the form of which is attached as Exhibit A-2.

(vi) the Company has complied with all the agreements hereunder and satisfied all the conditions on its part to be performed or satisfied hereunder at or prior to such Closing Date.

i) *Additional Documents.* On or before the Closing Date, the Representative and counsel for the Underwriters shall have received such information, documents and opinions as they may reasonably require for the purposes of enabling them to pass upon the issuance and sale of the Notes as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements, herein contained.

If any condition specified in this Section 5 is not satisfied when and as required to be satisfied, this Agreement may be terminated by the Representative by notice to the Company at any time on or prior to the Closing Date, which termination shall be without liability on the part of any party to any other party, except that Section 4, Section 6, Section 7 and Section 15 hereof shall at all times be effective and shall survive such termination.

SECTION 6. Indemnification.

(a) *Indemnification of the Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, its directors, officers, employees and agents, and each person, if any, who controls any Underwriter within the meaning of the Securities Act and the Exchange Act against any loss, claim, damage, liability or expense, as incurred, to which such Underwriter, director, officer, employee, agent or controlling person may become subject, insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or any amendment or supplement thereto, including any information deemed to be a part thereof pursuant to Rule 430B under the Securities Act, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading; or (ii) any untrue statement or alleged untrue statement of a material fact included in any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and to reimburse each Underwriter, its officers, directors, employees, agents and controlling persons for any and all expenses (including the reasonable fees and disbursements of counsel chosen by the Representative) as such expenses are reasonably incurred by such Underwriter, officer, director, employee, agent or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; provided, however, that the foregoing indemnity agreement shall not apply to any loss, claim, damage, liability or expense to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through

the Representative expressly for use in the Registration Statement, any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto). The indemnity agreement set forth in this Section 6(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) *Indemnification of the Company, its Directors and Officers.* Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act, against any loss, claim, damage, liability or expense, as incurred, to which the Company, or any such director, officer or controlling person may become subject, insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or any amendment or supplement thereto, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading; or (ii) any untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, and only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, such Preliminary Prospectus, such Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto), in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representative expressly for use therein; and to reimburse the Company, such director, officer or controlling person for any and all expenses (including the reasonable fees and disbursements of counsel chosen by the Company) as such expenses are reasonably incurred by the Company, such director, officer or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action. The Company hereby acknowledges that the only information that the Underwriters have furnished to the Company expressly for use in the Registration Statement, any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto) are the following statements set forth under the caption "Underwriting" in the Prospectus: (i) the fourth paragraph of text that begins with the phrase "The underwriters initially propose..."; the third and fourth sentences of the seventh paragraph of text that begins with the phrase "The notes are a new issue of securities..." ; and (iii) the eighth paragraph of text that begins with the phrase "In connection with the offering...". The indemnity agreement set forth in this Section 6(b) shall be in addition to any liabilities that each Underwriter may otherwise have.

(c) *Notifications and Other Indemnification Procedures.* Promptly after receipt by an indemnified party under this Section 6 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 6, notify the indemnifying party in writing of the commencement thereof; but the failure to so notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any liability other than the indemnification

obligation provided in paragraph (a) or (b) above. In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in, and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel satisfactory to such indemnified party; *provided*, however, such indemnified party shall have the right to employ its own counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such indemnified party, unless: (i) the employment of such counsel has been specifically authorized by the indemnifying party; (ii) the indemnifying party has failed promptly to assume the defense and employ counsel reasonably satisfactory to the indemnified party; or (iii) the named parties to any such action (including any impleaded parties) include both such indemnified party and the indemnifying party or any affiliate of the indemnifying party, and such indemnified party shall have reasonably concluded that either (x) there may be one or more legal defenses available to it which are different from or additional to those available to the indemnifying party or such affiliate of the indemnifying party or (y) a conflict may exist between such indemnified party and the indemnifying party or such affiliate of the indemnifying party (it being understood, however, that the indemnifying party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate firm of attorneys (in addition to a single firm of local counsel) for all such indemnified parties, which firm shall be designated in writing by (i) the Representative, in the case of indemnification pursuant to Section 6(a) hereof, or (ii) the Company, in the case of indemnification pursuant to Section 6(b) hereof, and that all such reasonable fees and expenses shall be reimbursed as they are incurred).

(d) *Settlements*. The indemnifying party under this Section 6 shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there is a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by Section 6(c) hereof, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity was or could have been sought hereunder by such indemnified party, unless such settlement, compromise or consent (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

SECTION 7. Contribution. If the indemnification provided for in Section 6 hereof is for any reason unavailable to or otherwise insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount paid or payable by such indemnified party, as incurred, as a result of any losses, claims, damages, liabilities or expenses referred to therein (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Notes pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Notes pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Notes pursuant to this Agreement (before deducting expenses) received by the Company, and the total underwriting discount received by the Underwriters, in each case as set forth on the front cover page of the Prospectus bear to the aggregate initial public offering price of the Notes as set forth on such cover. The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or the Underwriters, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 6(c) hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in Section 6(c) hereof with respect to notice of commencement of any action shall apply if a claim for contribution is to be made under this Section 7; provided, however, that no additional notice shall be required with respect to any action for which notice has been given under Section 6(c) hereof for purposes of indemnification.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 7.

Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the underwriting discount received by such Underwriter in connection with the Notes underwritten by it and distributed to the public. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 7 are several, and not joint, in proportion to their respective underwriting commitments as set forth opposite their names in

Schedule A. For purposes of this Section 7, each director, officer, employee and agent of an Underwriter and each person, if any, who controls an Underwriter within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement and each person, if any, who controls the Company within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Company.

SECTION 8. Default of One or More of the Several Underwriters. If, on the Closing Date, any one or more of the several Underwriters shall fail or refuse to purchase Notes that it or they have agreed to purchase hereunder on such date, and the aggregate principal amount of Notes, which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase does not exceed 10% of the aggregate principal amount of the Notes, to be purchased on such date, the other Underwriters shall be obligated, severally, in the proportion to the aggregate principal amounts of such Notes set forth opposite their respective names on Schedule A bears to the aggregate principal amount of such Notes set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as may be specified by the Representative with the consent of the non-defaulting Underwriters, to purchase such Notes which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase on such date. If, on the Closing Date, any one or more of the Underwriters shall fail or refuse to purchase such Notes and the aggregate principal amount of such Notes with respect to which such default occurs exceeds 10% of the aggregate principal amount of Notes to be purchased on such date, and arrangements satisfactory to the Representative and the Company for the purchase of such Notes are not made within 48 hours after such default, this Agreement shall terminate without liability of any party to any other party except that the provisions of Section 4, Section 6, Section 7 and Section 15 hereof shall at all times be effective and shall survive such termination. In any such case, either the Representative or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days in order that the required changes, if any, to the Registration Statement, each Issuer Free Writing Prospectus, each Preliminary Prospectus or the Prospectus or any other documents or arrangements may be effected.

As used in this Agreement, the term “**Underwriter**” shall be deemed to include any person substituted for a defaulting Underwriter under this Section 8. Any action taken under this Section 8 shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

SECTION 9. Termination of this Agreement. Prior to the Closing Date, this Agreement may be terminated by the Representative by notice given to the Company if at any time (i) trading or quotation in any of the Company’s securities shall have been suspended or materially limited by the New York Stock Exchange or the Commission, or trading in securities generally on the NASDAQ Global Market or the New York Stock Exchange shall have been suspended or materially limited, or minimum or maximum prices shall have been generally established on either of such stock exchanges by the Commission or the NASD; (ii) a general banking moratorium shall have been declared by any of federal or New York authorities; (iii) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any material adverse change in the United States or international financial markets, or any change or development involving a prospective substantial change in United States’ or

international political, financial or economic conditions, as in the judgment of the Representative makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Notes in the manner and on the terms described in the Disclosure Package or the Prospectus or to enforce contracts for the sale of securities; (iv) in the reasonable judgment of the Representative, there shall have occurred any Material Adverse Change; or (v) there shall have occurred a material disruption in commercial banking or securities settlement or clearance services in the United States. Any termination pursuant to this Section 9 shall be without liability on the part of (a) the Company to any Underwriter, except that the Company shall be obligated to reimburse the expenses of the Representative and the Underwriters pursuant to Section 4 hereof, (b) any Underwriter to the Company, or (c) any party hereto to any other party except that the provisions of Section 6, Section 7 and Section 15 hereof shall at all times be effective and shall survive such termination.

SECTION 10. No Fiduciary Duty. No Advisory or Fiduciary Responsibility. The Company acknowledges and agrees that: (i) the purchase and sale of the Notes pursuant to this Agreement, including the determination of the public offering price of the Notes and any related discounts and commissions, is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other hand; (ii) in connection with the offering contemplated hereby and the process leading to such transaction each Underwriter is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary of the Company or its affiliates, stockholders, creditors or employees or any other party; (iii) no Underwriter has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) and no Underwriter has any obligation to the Company with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement; (iv) the several Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company; and (v) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

The Company hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the several Underwriters with respect to any breach or alleged breach of agency or fiduciary duty.

SECTION 11. Representations and Indemnities to Survive Delivery. The respective indemnities, agreements, representations, warranties and other statements of the Company, of its officers and of the several Underwriters set forth in or made pursuant to this Agreement (i) will remain operative and in full force and effect, regardless of (A) any investigation, or statement as to the results thereof, made by or on behalf of any Underwriter, the officers or employees of any Underwriter, or any person controlling the Underwriter, or the Company, the officers or employees of the Company, or any person controlling the Company, as the case may be or (B) acceptance of the Notes and payment for them hereunder and (ii) will survive delivery of and payment for the Notes sold hereunder and any termination of this Agreement.

Re: Great Plains Energy Inc.
[•]% Notes due 2017

Ladies and Gentlemen:

As special counsel for Great Plains Energy Incorporated, a Missouri corporation (the "Company"), we address this letter to you individually and as the representative of the several Underwriters (the "Underwriters") named in Schedule A to the Underwriting Agreement dated September [•], 2007 (the "Underwriting Agreement") between you, as representative of the Underwriters, and the Company, with respect to the issuance and sale pursuant thereto of \$[•] aggregate principal amount of the Company's [•]% Notes due 2017 (the "Notes"). The Notes are being issued under an indenture dated as of June 1, 2004 (the "Indenture") between the Company and The Bank of New York Trust Company, N.A. (successor to BNY Midwest Trust Company), as trustee (the "Trustee"), as supplemented by the Second Supplemental Indenture dated as of September [•], 2007 between the Company and the Trustee (the "Supplemental Indenture").

The Company filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"):

(i) on May 8, 2006, a Registration Statement on Form S-3 (Registration No. 333-133891), which registration statement became effective upon filing pursuant to Rule 462(e) under the Securities Act; as used in this letter, the term "Registration Statement" shall mean, as of any time referred to herein, such registration statement, as amended at such time, including all exhibits thereto (but excluding Form T-1) and the documents incorporated or deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act and any prospectus supplement relating to the Notes that was filed with the Commission and deemed to be part of and included in the Registration Statement pursuant to Rule 430B(f)(1) under the Securities Act;

(ii) on September [•], 2007, pursuant to Rule 424(b) under the Securities Act ("Rule 424(b)"), the Company's preliminary prospectus supplement dated September [•], 2007

(the "Preliminary Prospectus Supplement") specifically relating to the Notes and the prospectus dated May 8, 2006 included in the Registration Statement (including the documents incorporated or deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act, the "Base Prospectus"); as used in this letter, the term "Preliminary Prospectus" shall mean the Preliminary Prospectus Supplement together with the Base Prospectus;

(iii) on September [•], 2007, pursuant to Rule 433 under the Securities Act ("Rule 433"), a final term sheet, dated September [•], 2007 (the "Final Term Sheet"), relating to the Notes; and

(iv) on September [•], 2007, pursuant to Rule 424(b), the Company's prospectus supplement dated September [•], 2007 (the "Prospectus Supplement") specifically relating to the Notes and the Base Prospectus; as used in this letter, the term "Prospectus" shall mean the Prospectus Supplement together with the Base Prospectus.

As used in this letter, the term "Initial Sale Time" means [•] [p.m.] (Eastern time) on September [•], 2007.

Pursuant to the requirement of Section 5(f)(i) of the Underwriting Agreement, this will advise you that in the opinion of the undersigned:

1. The Registration Statement has become effective under the Securities Act; each of the Preliminary Prospectus and the Prospectus has been filed pursuant to Rule 424(b) in accordance with Rule 424(b); the Final Term Sheet has been filed pursuant to Rule 433 in accordance with Rule 433; and, to our knowledge, no stop order suspending the effectiveness of the Registration Statement is in effect nor are any proceedings for such purpose pending before or threatened by the Commission.

2. The Registration Statement (other than the financial statements, financial data, statistical data and supporting schedules included therein or omitted therefrom and other than the documents incorporated by reference therein, as to none of which we express any opinion pursuant to this paragraph 2), at the time the Registration Statement became effective and at the "new effective date" (as defined herein), the Preliminary Prospectus (other than the financial statements, financial data, statistical data and supporting schedules included therein or omitted therefrom and other than the documents incorporated by reference therein, as to none of which we express any opinion pursuant to this paragraph 2), at the Initial Sale Time, and the Prospectus (other than the financial statements, financial data, statistical data and supporting schedules included therein or omitted therefrom and other than the documents incorporated by reference therein, as to none of which we express any opinion pursuant to this paragraph 2), as of the date of the Prospectus Supplement and as of the date hereof, each complied as to form in all material respects with the requirements of the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), the Securities Act and the rules and regulations of the Commission promulgated thereunder.

3. The documents incorporated by reference in the Preliminary Prospectus and the Prospectus (other than the financial statements, financial data, statistical data and supporting schedules included therein or omitted therefrom, as to which we express no opinion), at the

respective times such documents were filed with the Commission, complied as to form in all material respects with the applicable requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the Commission promulgated thereunder.

4. The Indenture has been duly qualified under the Trust Indenture Act and constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except to the extent enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws of general applicability relating to or affecting the enforcement of creditors’ rights and by the effect of general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law).

5. The execution, delivery and performance by the Company of the Underwriting Agreement, the Indenture and the Notes and the consummation by the Company of the transactions contemplated thereby (including the issuance and sale of the Notes and the use of the proceeds from the sale of the Notes as described in the Disclosure Package (as defined in Annex A hereto) and in the Prospectus under the caption “Use of Proceeds”) and compliance by the Company with its obligations under the Underwriting Agreement, the Indenture and the Notes do not and will not violate any provision of New York law that, in our experience and without independent investigation, is normally applicable to transactions of the type contemplated by the Underwriting Agreement and the Indenture (provided no opinion is expressed with respect to state securities or blue sky laws).

6. The Notes, when duly authorized and executed by the Company, authenticated by the Trustee in accordance with the terms of the Indenture and delivered against payment therefor pursuant to the terms of the Underwriting Agreement, will constitute a legal, valid and binding obligation of the Company, entitled to the benefits of the Indenture and enforceable against the Company in accordance with the terms of the Notes, except to the extent enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws of general applicability relating to or affecting the enforcement of creditors’ rights and by the effect of general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law).

7. To our knowledge, no consent, approval, authorization or order of, or registration or filing with, any court or other governmental or regulatory authority or agency is required under Applicable Laws for the execution and delivery by the Company of, or the performance of the Company’s obligations under, the Underwriting Agreement, the Indenture or the Supplemental Indenture, or for the issue and sale of the Notes. As used in this paragraph 7, the term “Applicable Laws” means the laws of the State of New York and the federal laws of the United States of America which, in our experience and without independent investigation, are normally applicable to transactions of the type contemplated by the Underwriting Agreement, the Indenture and the Supplemental Indenture (provided that the term “Applicable Laws” shall not include federal or state securities or blue sky laws, including, without limitation, the Securities Act, the Exchange Act, the Trust Indenture Act and the Investment Company Act of 1940, as amended (the “Investment Company Act”), and the respective rules and regulations thereunder).

8. The statements set forth in the Disclosure Package and the Prospectus under the headings “Description of the notes” (insofar as such statements purport to summarize certain provisions of the Notes, the Indenture and the Supplemental Indenture) fairly summarize in all material respects the matters therein described.

9. The Company is not, and after receipt of payment for the Notes and application of the proceeds therefrom as described in the Prospectus, will not be, required to register as an “investment company” within the meaning of the Investment Company Act.

In acting as special counsel for the Company in connection with the transactions described in the first paragraph above, we have participated in conferences with officers and other representatives of the Company, including its independent registered public accountants and representatives of the Underwriters and representatives of counsel for the Underwriters, at which conferences the contents of the Registration Statement, the Disclosure Package and the Prospectus and related matters were discussed. We have not participated in the preparation of the documents incorporated by reference in the Registration Statement, the Disclosure Package or the Prospectus, however, we have reviewed such documents. Except as stated in numbered paragraph 8 above, we have not independently checked the accuracy or completeness of, or otherwise verified, and accordingly are not passing upon, and do not assume responsibility for, the accuracy, completeness or fairness of statements contained in the Registration Statement, the Disclosure Package or the Prospectus. However, as a result of such consideration and participation, no facts have come to our attention that have caused us to believe that:

(a) the Registration Statement, as of each “new effective date” with respect to the Notes pursuant to, and within the meaning of, Rule 430B(f)(2) under the Securities Act, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading;

(b) the Disclosure Package, at the Initial Sale Time, included an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; or

(c) the Prospectus, as of the date of the Prospectus Supplement and on the date hereof, included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

except in each case we express no belief, and make no statement with respect to, the financial statements, financial data, statistical data and supporting schedules included or incorporated or deemed to be incorporated by reference therein or omitted therefrom.

Insofar as the statement set forth in paragraph (a) above addresses the Registration Statement at a “new effective date” with respect to the Notes:

(i) we have been informed by you, as the representative of the Underwriters, that the date of first use of the Preliminary Prospectus was September [•], 2007 and that we may assume that such use occurred prior to the date and time of the first contract of sale of the Notes

for the purposes of Rule 430B(f)(1) under the Securities Act; and, therefore, we assume that a “new effective date” was September [•], 2007, and we have assumed, with your permission and without independent investigation or verification, the accuracy of such information; and

(ii) we have been informed by you, as the representative of the Underwriters, that the Initial Sale Time was immediately prior to the earlier of the date that the Prospectus was first used or the date and time of the first contract of sale of the Notes for the purposes of Rule 430B(f)(1) under the Securities Act; and, therefore, we assume that a “new effective date” was the Initial Sale Time, and we have assumed, with your permission and without independent investigation or verification, the accuracy of such information.

For the purpose of rendering the foregoing opinions and making the foregoing statements, we have relied to the extent we have deemed appropriate, as to various questions of fact material to such opinions and statements, upon the representations made by the Company in the Underwriting Agreement and upon certificates of officers of the Company. We also have examined originals, or copies of originals certified to our satisfaction, of such agreements, documents, certificates and other statements of governmental officials and other instruments, have examined such questions of law and have satisfied ourselves as to such matters of fact as we have considered relevant and necessary as a basis for this letter. We have assumed the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents submitted to us as originals and the conformity with the original documents of all documents submitted to us as certified or photostatic copies or by facsimile or other means of electronic transmission or which we obtained from the Commission’s Electronic Data Gathering, Analysis and Retrieval System (“EDGAR”). In rendering our opinion set forth in numbered paragraph 1 above with respect to the effectiveness of the Registration Statement and the absence of stop orders or proceedings, we have relied solely upon the oral advice of the staff of the Commission via a telephonic call on the date hereof. In rendering our opinion set forth in numbered paragraph 1 above with respect to the filing of the Preliminary Prospectus, the Final Term Sheet and the Prospectus, we have relied solely upon our review of the EDGAR website of the Commission. With respect to any instrument or agreement executed or to be executed by any party, we have assumed, to the extent relevant to the opinions set forth herein, that (i) such party (if not a natural person) has been duly organized and is validly existing and in good standing under the laws of its jurisdiction of organization and (ii) such party has or had full right, power and authority to execute, deliver and perform its obligations under each instrument or agreement to which it is a party and each such instrument or agreement has been duly authorized (if applicable), executed and delivered by, and, with respect to any party other than the Company, is a valid, binding and enforceable agreement or obligation, as the case may be, of, such party.

In rendering our opinion set forth in numbered paragraph 9 above, we have relied exclusively, as to all factual matters, on the certificate, dated as of the date of this letter, of Terry Bassham, Executive Vice President—Finance and Strategic Development and Chief Financial Officer of the Company, and assumed that the certifications contained therein will be true and correct as of the time of the application of the proceeds of the Notes.

Any opinion or statement herein which is expressed to be “to our knowledge” or is otherwise qualified by words of like import means that the lawyers currently practicing law with the Firm who have had active involvement in representing the Company have no current

conscious awareness of any facts or information contrary to such opinion or statement. Except to the extent expressly set forth in this letter, we have not undertaken any independent investigation to determine the existence or absence of any fact, and no inference as to our knowledge of the existence or absence of any fact should be drawn from our representation of the Company or the rendering of this letter.

This letter is limited to the federal laws of the United States of America and the laws of the State of New York. We express no opinion as to matters relating to securities or blue sky laws of any jurisdiction or any rules or regulations thereunder (other than federal securities laws). This letter is based on the law in effect, and the facts and circumstances existing, on the date of this letter. We assume no obligation to update or supplement this letter to reflect any facts or circumstances which may hereafter come to our attention with respect to the opinions and statements expressed above, including any changes in applicable law which may hereafter occur.

This letter is being rendered and delivered solely to and for the benefit of the persons to whom it is addressed; accordingly, it may not be delivered to or relied upon by any other person (including, without limitation, any person who acquires the Notes from or through the Underwriters), quoted or filed with any governmental authority or other regulatory agency or otherwise circulated or utilized for any other purpose without our prior written consent.

Very truly yours,

2.02 *Limitation on Aggregate Principal Amount.* The Trustee shall authenticate and deliver 2017 Notes for original issue on the Issue Date in the aggregate principal amount of \$100,000,000, upon a Company Order for the authentication and delivery thereof and satisfaction of Sections 2.01(a) and 2.05(c) of the Original Indenture. Such order shall specify the amount of the 2017 Notes to be authenticated, the date on which the original issue of 2017 Notes is to be authenticated and the name or names of the initial Holder or Holders. The aggregate principal amount of 2017 Notes that may initially be outstanding shall not exceed \$100,000,000; *provided, however*, that the authorized aggregate principal amount of the 2017 Notes may be increased above such amount without the consent of the Holders of any then

outstanding 2017 Notes by a Board Resolution authorizing such increase. Notwithstanding anything to the contrary in the Indenture, the Company shall not issue additional 2017 Notes after September 25, 2007 unless the Holders of the outstanding 2017 Notes will be subject to federal income tax in the same amounts, in the same manner and at the same times as would have been the case if such additional 2017 Notes were not issued.

2.03 *Stated Maturity.* The Stated Maturity of the 2017 Notes shall be September 15, 2017 (the “*Maturity Date*”).

2.04 *Interest and Interest Rate.*

(a) The 2017 Notes shall bear interest at the rate of 6.875% per annum (subject to adjustment as described in the form of Note attached as *Exhibit A*), from and including their Original Issue Date of September 25, 2007, or from the most recent Interest Payment Date to which interest has been paid to, but excluding, the Maturity Date. Such interest shall be payable semiannually in arrears, on the Interest Payment Dates of March 15 and September 15 in each year, commencing March 15, 2008. Interest accrued on the 2017 Notes from the last Interest Payment Date before the Maturity Date shall be payable on the Maturity Date.

(b) The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Persons in whose names the 2017 Notes (or one or more predecessor securities) are registered on the Regular Record Date for such Interest Payment Date, being the close of business on the immediately preceding March 1 and September 1, as the case may be, whether or not such day is a Business Day.

(c) The Company shall promptly notify the Trustee of any adjustment to the interest rate of the 2017 Notes.

2.05 *Place of Payment.* Principal and interest payments on the 2017 Notes will be made by the Company to The Depository Trust Company (“*DTC*”) while it is the Depository for the 2017 Notes, or if *DTC* shall cease to be the Depository for the 2017 Notes, to the Trustee at its offices, as paying agent.

2.07 *Global Notes.*

(a) 2017 Notes shall be issuable in whole or in part in the form of one or more permanent Global Notes in definitive, full registered, book-entry form, without interest coupons. The Global Note shall be deposited on its issuance date with, or on behalf of, the Depository.

(b) *DTC* shall initially serve as Depository with respect to the Global Note. Such Global Note shall bear the legend set forth in the form of Note attached as *Exhibit A*.

2.08 *Form of Securities*. The Global Note shall be substantially in the form attached as *Exhibit A*.

2.09 *Note Registrar*. The Trustee shall initially serve as the Note Registrar for the 2017 Notes.

2.10 *Sinking Fund Obligations*. The Company shall have no obligation to redeem or purchase any 2017 Notes pursuant to any sinking fund or analogous requirement or upon the happening of a specified event or at the option of a Holder thereof.

2.11 *Limitation on Liens*.

(a) So long as any 2017 Notes remain outstanding, the Company shall not issue, assume, guarantee or permit to exist any indebtedness for borrowed money secured by a Lien on any shares of capital stock or other equity interests of any Majority-Owned Subsidiary, which shares of capital stock or other equity interests the Company now or hereafter directly owns, without effectively securing the 2017 Notes equally and ratably with (or prior to) that indebtedness. The foregoing limitation does not limit the following Liens and indebtedness:

(i) any Lien on shares of capital stock or other equity interests of an entity existing at the time that such entity becomes a Majority-Owned Subsidiary;

(ii) any Lien on shares of capital stock or other equity interests created at the time the Company acquires those shares of capital stock or other equity interests, or within 270 days after that time, to secure all or a portion of the purchase price for those shares of capital stock or other equity interests;

(iii) any Lien on shares of capital stock or other equity interests in favor of the United States (or any State or territory thereof), any foreign country or any department, agency or instrumentality or political subdivision of those jurisdictions, to secure payment pursuant to any contract or statute;

(iv) any Lien on shares of capital stock or other equity interests arising in connection with court proceedings; provided that either: (1) the execution or enforcement of that Lien is effectively stayed within 30 days after entry of the corresponding judgment (or the corresponding judgment has been discharged within that 30 day period) and the claims secured by that Lien are being contested in good faith by appropriate proceedings; (2) the payment of that Lien is covered in full by insurance and the insurance provider has not denied or contested coverage; or (3) so long as that Lien is adequately bonded, any appropriate legal proceedings that have been duly initiated for the review of the corresponding judgment, decree or order have not been fully terminated or the periods within which those proceedings may be initiated have not expired;

(v) any Lien on shares of capital stock or other equity interests in favor of the Company;

(vi) any Lien on shares of capital stock or other equity interests of any special purpose subsidiary formed for the sole and exclusive purpose of the acquisition,

development, ownership or operation of an asset with indebtedness as to which there is no recourse to the Company or any of its affiliates other than such subsidiary;

(vii) any Lien on shares of capital stock or other equity interests of any special purpose, bankruptcy-remote subsidiary formed for the sole and exclusive purpose of engaging in activities in connection with the purchase, sale and financing of accounts receivable, payment intangibles, accounts or notes receivable and related rights and property in connection with and pursuant to a Permitted Securitization; and

(viii) the replacement, extension or renewal of any Lien referred to above, provided that: (1) the principal amount of indebtedness secured by those Liens immediately after the replacement, extension or renewal may not exceed the principal amount of indebtedness secured by those Liens immediately before the replacement, extension or renewal; and (2) the replacement, extension or renewal Lien is limited to no more than the same proportion of the shares of capital stock or other equity interests as were covered by the Lien that was replaced, extended or renewed.

(b) The provisions of this Section 2.11 shall be an “additional covenant” for purposes of Section 5.04 of the Indenture and subject to covenant defeasance in accordance with Section 5.04 of the Indenture, including, without limitation, Section 5.04(g) (such that following a covenant defeasance with respect to the 2017 Notes, payment on the 2017 Notes may not be accelerated because of a default under or other reference to this Section 2.11).

ARTICLE THREE

Optional Redemption of the 2017 Notes

3.01 *Redemption Price*. The Company shall have the right to redeem the 2017 Notes, at its option, at any time in whole, or from time to time in part, at a redemption price equal to the greater of:

(i) 100% of the principal amount of the 2017 Notes to be redeemed; and

(ii) the sum of the present values of the remaining scheduled payments of principal and interest on the 2017 Notes to be redeemed (not including any portion of such payments of interest accrued as of the date of redemption), discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate, plus 35 basis points;

plus, in each case, accrued and unpaid interest on the principal amount being redeemed to the redemption date.

Notwithstanding the foregoing, installments of interest on the 2017 Notes that are due and payable on an Interest Payment Date falling on or prior to a redemption date shall be payable on such Interest Payment Date to the Holders as of the close of business on the relevant Record Date.

ARTICLE FOUR

4.02 This Supplemental Indenture may be executed in any number of counterparts, each of which shall be an original, but such counterparts shall together constitute but one and the same instrument.

In no event shall (1) the per annum interest rate on this Note be reduced below the Original Rate, and (2) the total increase in the per annum interest rate on this Note exceed 2.00% above the Original Rate.

If either Moody’s or S&P ceases to provide a rating, any subsequent increase or decrease in the interest rate of this Note necessitated by a reduction or increase in the rating by the agency continuing to provide the rating shall be twice the percentage set forth in the applicable table above. No adjustments in the interest rate of this Note shall be made solely as a result of either Moody’s or S&P ceasing to provide a rating. If both Moody’s and S&P cease to provide a rating, the interest rate on this Note will increase to, or remain at, as the case may be, 2.00% above the Original Rate.

Any interest rate increase or decrease, as described above, will take effect from the first day of the interest period during which a rating change requires an adjustment to the interest rate on this Note as described above.

This Note is one of a duly authorized issue of notes of the Company (herein called the “Notes”), issued under an Indenture, dated as of June 1, 2004, as supplemented by the Second Supplemental Indenture, dated as of September 25, 2007 (herein called the “Indenture”, which term shall have the meaning assigned to it in such instruments), between the Company and The

Bank of New York Trust Company, N.A. (successor to BNY Midwest Trust Company), as Trustee (herein called the “Trustee”, which term includes any successor trustee under the Indenture). Reference is made to the Indenture and any supplemental indenture thereto for the provisions relating, among other things, to the respective rights of the Company, the Trustee and the Holders of the Notes, and the terms on which the Notes are authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$100,000,000; *provided, however*, that the authorized aggregate principal amount of the Notes may be increased above such amount by a Board Resolution authorizing such increase. Notwithstanding anything to the contrary in the Indenture, the Company shall not issue additional Notes after September 25, 2007 unless the Holders of the outstanding Notes will be subject to federal income tax in the same amounts, in the same manner and at the same times as would have been the case if such additional Notes were not issued.

The Company shall have the right to redeem the Notes of this series, at its option, at any time in whole, or from time to time in part, at a redemption price equal to the greater of (i) 100% of the principal amount to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (not including any portion of such payments of interest accrued as of the date of redemption), discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 35 basis points; plus, in each case, accrued and unpaid interest on the principal amount of the Notes being redeemed to the redemption date.

For purposes of determining the redemption price:

“*Comparable Treasury Issue*” means the United States Treasury security selected by the Quotation Agent as having a maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

“*Comparable Treasury Price*” means, with respect to any redemption date, (1) the average of four Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the Quotation Agent obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations, or (3) if only one such Reference Treasury Dealer Quotation is received, such quotation.

“*Quotation Agent*” means a Reference Treasury Dealer appointed by the Company.

“*Reference Treasury Dealer*” means (1) J.P. Morgan Securities Inc. (or its affiliate that is a primary U.S. government securities dealer (“*Primary Treasury Dealer*”)) or its successor; provided, however, that if the foregoing shall cease to be a Primary Treasury Dealer, the Company will substitute therefor another Primary Treasury Dealer and (2) three other Primary Treasury Dealers selected by the Company.

“*Reference Treasury Dealer Quotations*” means, with respect to each Reference

Treasury Dealer and any redemption date, the average, as determined by the Quotation Agent, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Treasury Dealer at 5:00 p.m., New York City time, on the third business day preceding such redemption date.

“*Treasury Rate*” means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

The Indenture contains provisions for defeasance at any time of (i) the entire indebtedness of this Note and (ii) the Company’s obligations under the Indenture and this Note with respect to certain covenants and related Events of Default, upon compliance by the Company with certain conditions set forth in the Indenture.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal of this Note may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the securities at the time outstanding of all series to be affected, considered as one class. The Indenture contains provisions permitting the Holders of a majority in aggregate principal amount of the securities of any series at the time outstanding, on behalf of the Holders of all securities of such series, to waive certain past defaults or Events of Default under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued in exchange, substitution or upon the registration or transfer hereof, irrespective of whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Note at the times, place and rate, and in the coin or currency, herein provided.

This Note is issuable as a registered Note only, in the denomination of \$1,000 and any integral multiples thereof.

As provided in the Indenture, this Note is transferable by the registered Holder hereof in person or by his attorney duly authorized in writing on the books of the Company at the office or agency to be maintained by the Company for that purpose. Upon any registration of transfer, a new registered Note or Notes, of authorized denomination or denominations, and in the same aggregate principal amount, will be issued to the transferee in exchange therefore.

The Company, the Trustee, any paying agent and any Authenticating Agent may deem

and treat the registered Holder hereof as the absolute owner of this Note (whether or not this Note shall be overdue) for the purpose of receiving payment of or on account of the principal and premium, if any, and interest on this Note as herein provided and for all other purposes, and neither the Company nor the Trustee nor any paying agent nor any Authenticating Agent shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or any premium or interest on this Note, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental thereto, against any incorporator or against any past, present or future stockholder, officer or member of the Board of Directors, as such, of the Company, whether by virtue of any constitution, state or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as party of the consideration for the issue hereof, expressly waived and released.

This Note shall be governed by and deemed to be a contract made under, and construed in accordance with, the laws of the State of New York, and for all purposes shall be construed in accordance with the laws of the State of New York without regard to conflicts of law principles thereof.

All terms used in this Note which are defined in the Indenture and not defined herein shall have the meaning assigned to them in the Indenture.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until the certificate of authentication on the face hereof is manually signed by the Trustee.

IN WITNESS WHEREOF, the Company has caused this instrument to be signed by the manual or facsimile signatures of the President and Chief Operating Officer and the Treasurer of the Company, and a facsimile of its corporate seal to be affixed or reproduced hereon.

Re: \$100,000,000 aggregate principal amount of 6.875% Notes due 2017

Ladies and Gentlemen:

We have acted as counsel to Great Plains Energy Incorporated, a Missouri corporation (the "Company"), in connection with the issuance and sale by the Company of \$100,000,000 aggregate principal amount of 6.875% Notes due September 15, 2017 (the "Notes"), covered by the Registration Statement on Form S-3, No. 333-133891 (the "Registration Statement"), filed by the Company with the Securities and Exchange Commission ("SEC") on May 8, 2006, under the Securities Act of 1933, as amended.

The Notes were issued under the Company's Indenture dated as of June 1, 2004 between the Company and The Bank of New York Trust Company, N.A. (as successor to BNY Midwest Trust Company), as Trustee, as supplemented (the "Indenture"), which Indenture is governed by New York law, and sold by the Company pursuant to the Underwriting Agreement dated September 20, 2007 between the Company and J.P. Morgan Securities Inc., as representative of the several underwriters named therein.

For the purpose of expressing the opinion in this opinion letter, we have examined and relied upon a copy of the Registration Statement and the exhibits filed therewith. We have also examined originals, or copies of originals certified to our satisfaction, of such agreements, documents, certificates of officers of the Company and the Trustee and statements of government officials and other instruments, and have examined such questions of law and have satisfied ourselves as to such matters of fact, as we have considered relevant and necessary as a basis for this opinion letter. We have assumed the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents submitted to us as originals and the conformity with the original documents of all documents submitted to us as certified or photostatic copies or by facsimile or other means of electronic transmission or which we obtained from the Electronic Data Gathering, Analysis and Retrieval System (EDGAR) of the SEC or other internet sites through which documents filed with the SEC can be obtained. With respect to any instrument or agreement executed or to be executed by any party, we have assumed, to the extent relevant to the opinion set forth herein, that (i) such party (if not a natural person) has been duly formed or organized and is validly existing and in good standing under the laws of its jurisdiction of

formation or organization, (ii) such party has full right, power and authority to execute, deliver and perform its obligations under such instrument or agreement and such instrument or agreement has been duly authorized (if applicable), executed and delivered by such party, and (iii) such instrument or agreement is a valid, binding and enforceable agreement or obligation, as the case may be, of, such party (other than the Company).

Based on the foregoing, and subject to the limitations hereinafter set forth, we are of the opinion that the Notes are legally issued and binding obligations of the Company enforceable against the Company in accordance with their respective terms (except to the extent enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or other similar laws affecting the enforcement of creditors' rights generally and by the effect of general principles of equity, regardless of whether considered in a proceeding in equity or at law).
