/x/ Filing fee paid with preliminary filing.
The following response was provided to an individual on or about July 20,

1998.

Institutional Shareholder Services is one of the most widely followed independent organizations specializing in proxy analysis. Institutional investors use ISS research as one of the factors in making their decisions when voting on proxy proposals.

In making their recommendation on the Western Resources Kansas City Power & Light merger, ISS used the proxy materials prepared by the companies, independent analysis and discussion with company management from Western Resources and Kansas City Power & Light.
